THEREFORE, IT IS ORDERED that with the sole exception of plaintiff’s breach of contract claims for monetary sums that are past due, all of plaintiff’s claims, including KFF’s claims involving intellectual property, misappropriation, trade secrets, infringement of trade marks or copyrights, violations of the Texas Uniform Trade Secrets Act, unfair competition, competition, breach of non-compete agreements, holding over and continuing to operate, and the breach of contract claims based upon these allegations, such as “failing to abide by the requirements and obligations related to operating the store,” “taking, disclosing and/or using KFF’s confidential information and proprietary information,” and “competing against KFF in violation of the noncompetition provision” are dismissed for want
